FAST CATS

Open to all AKC registered dog breeds, dogs with ILP/PAL registration #s, and All-American dogs listed in the Canine Partners Program. Dogs must be at least 12 mo of age.

The dogs run, singularly, a 100 yrd straight dash. The time to complete this run is converted in MPH. Points are earned based on the handicapped speed and titles are awarded when the dog has accumulated a given number of points.

A standard formula is used to convert time and handicap into MPH.

Handicap is based on the height at the withers:

**18" or greater = handicap 1.0

**12" up to 17.9" = handicap 1.5

**under 12" = handicap 2.0

Titles are earned by accumulating points.

BCAT = 150 pts

DCAT = 500 pts

FCAT = 1000 pts

RIBBONS

Light blue participation ribbons will be awarded to canines passing their tests.

Rabbit Award: Fastest time in each of the height classes.

Turtle Award: Slowest time in each of the height classes

Jackrabbit Award: Fastest time in each height class over the course of the season
