Rolling Roll Call

The hope is that rolling roll call reduces the amount of time people are waiting during our events and that people who have multiple dog events happening on the same day can still do both events. This is the first time our club has done this, so please be patient and we work through figuring out what works/doesn't work! Please still come help with set-up and clean-up!

There are two Fast CAT Trials taking place at this event. This event will be a **ROLLING ROLL CALL** event. This means you may arrive anytime between 9:30am and 2:30pm.

When you arrive, you will get in line for inspections at the secretary's tent. Each dog will be inspected by the Inspection Committee for lameness, fitness to compete, and females in season per the AKC rules and regulations. All dogs to be inspected must be presented without tape, bandages, or wrapping/coverings of any kind (coats, blankets, etc.). If, in the opinion of the Inspection Committee, a dog is found to be lame, unfit to compete, or in season, the dog will not be allowed to test, and the applicable entry fees will be refunded.

After your dog(s) have been inspected, you are able to get in line at the release end of the shoot with your dog. There will be no run order posted, run order will be based on whoever is first in line. Have a catcher ready at the end of the shoot! If you do not have a catcher ready at the other end, the next person in line that is ready will run.

Once your dog runs once, your dog must get reinspected before they can run again. Bring your dog back to the secretary's tent to get reinspected and checked off the list. The only rule is there must be 15 minutes between your dog's first and second runs, but you may essentially run 1 dog back-to-back. If you feel your dog(s) need a longer break, just wait longer until you get back in line at the release end with them.

How Entries Work

Entries will be recorded in the order in which they are received.

Please print and fill out, or digitally fill out, the form found at the end of *this* Premium. Please ensure your dog's registered name and registration number are written correctly and legibly.

Please ensure your email address is written legibly. Email confirmation will be sent out once the entry has been received (expect to receive confirmation within 48 hours of entry being received). Please check your spam folder prior to reaching out!

After the entry has been received, instructions for paying via PayPal will be sent with the confirmation email. Please do not pay on PayPal until you receive the confirmation email. After the confirmation email has been sent, payment must be received within 48 hours to secure your spot. Please forward your email from PayPal showing proof of payment to the trial secretary to confirm payment (Alaska.Hound.Secretary@gmail.com). If payment is not received within 48 hours, you will be shifted to the end of the received entries list. You will still have a spot if the trial is not full before payment is received.

If paying cash or check, you may add it to the mailed in entries. If trial limits have been met, the owner will be notified, and the check will be shredded, and cash may be transferred to a future run or returned.

Updates will be sporadically posted to our Facebook page about the number of entries received and number of remaining spots. Result sheets will also be posted to the Facebook page before being uploaded to the Alaska Hound Group Association website. Check out and join the @Alaska Hound Group Facebook Page.

FAST CATS

Open to all AKC registered dog breeds, dogs with ILP/PAL registration numbers, and All-American dogs listed in the Canine Partners Program. **Dogs must be at least 12 months of age to participate.**

TIMES AND POINTS

The dogs run, singularly, a 100-yard straight dash. The time to complete this run is converted into miles per hour (mph). Points are earned based on the handicapped speed and titles are awarded when the dog has accumulated a given number of points.

A standard formula is used to convert time and handicap into mph.

$$\frac{204.545}{\text{Dog's time}} = \text{MPH}$$

$$\text{MPH} \times \text{HANICAP} = \text{POINTS}$$

Your dog's handicap is based on their height at their withers:

- **18" or greater = handicap 1.0
- **12" up to 17.9" = handicap 1.5
- **Under 12" = handicap 2.0

Titles are earned by accumulating points.

BCAT = 150 pts

DCAT = 500 pts

FCAT = 1000 pts

FCAT# = every additional 500 points

RIBBONS

Light blue participation ribbons will be awarded to all dogs passing their tests, new title ribbons are available as your dog earns new titles, find the trial secretary table to collect your ribbons!

Rabbit Award: Fastest time in each of the height classes.

Turtle Award: Slowest time in each of the height classes

Jackrabbit Award: Fastest time in each height class over the course of the season

Sloth Award: Slowest time in each height class over the course of the season
